

Practical Practice!

TRIANGLE OF EXPOSURE

You will take 6 photos:
3 inside and 3 outside

Photo 1: Just the front subject is in clear focus

Photo 2: Both subjects are in focus. There is some blur present in the background fan.

Photo 3: everything is in focus, including the fan!

Remember!

- You are shooting in Manual Mode
- You are taking the EXACT same photo each time (you can use a different set for outside)

SHOW ME YOUR WORK!

- This assignment is marked for completion once you have shown your teacher your photos
- You will proceed onto the **Triangle of Exposure challenge** when you have demonstrated the skill
